ACADEMIC APPOINTMENTS

The Pennsylvania State University	1998 - 2000
Adjunct Faculty	
Washington University in St. Louis	2000 - present
Associate Professor	

EDUCATION

Williams College	1982 - 1986
B.A. <i>cum laude</i> , Psychology & English	
Case Western Reserve University	1991 - 1997
Ph.D., Clinical Psychology	
Dissertation Chair: Milton E. Strauss, Ph.D.	
Title: Attachment and Adult Child–Older Parent Caregiving	
New Orleans VA Medical Center	1996 - 1997
Predocutorial Intern	
Philadelphia Geriatric Center	1997 - 1998
Postdoctoral Fellow	
Training Director: Holly Ruckdeschel, Ph.D.	
University of Pennsylvania	1998 - 2000
NRSA Postdoctoral Fellow	
Principal Investigators: Ira Katz, M.D., and M. Powell Lawton, Ph.D.	

AWARDS AND HONORS

National Merit Corporate Scholarship Recipient	1982 – 1986
Graduate Dean=s Instructional Excellence Award	1994
American Psychological Association Division 20/Retirement Research Fund Graduate Research Proposal Award	1996
Marie Haug Student Award of the University Center on Aging and Health,	1997
American Psychological Association Division 12/Section II Student Research Award	1997
NIH National Research Service Award	1998 – 2000
Washington University Kemper Grant for Teaching Enhancement	2001
Brookdale National Fellowship	2002 – 2004
NIMH Advanced Research Institute in Geriatric Mental Health Scholar	2004 – 2006

RESEARCH GRANTS

Title	Role	Agency	Amount	Period
Attachment bonds between adult daughters and their older mothers: Associations with different types of caregiving	Principal Investigator	Retirement Research Foundation	\$2,000	4/96 – 3/97
Preferences for everyday living: Developing an instrument to inventory lifestyle choices	Consultant PI: Kimberly Van Haitsma	Fan Fox & Leslie R. Samuels Foundation	\$271,227	5/98 – 6/00
Depression in dementia: A pilot project to develop a psychotherapeutic approach for persons residing in the nursing home	Project Director PI: Kimberly Van Haitsma	Intervention Research Center, NIH/NIMH/Univ. of Pennsylvania, Ira Katz, PI	\$15,000	9/98 – 8/00
Intergenerational awareness of psychosocial preferences	Principal Investigator	Fan Fox & Leslie R. Samuels Foundation	\$49,000	4/99 – 12/00
Treatment of depression after coronary bypass surgery	Consultant PI: Ken Freedland	National Institutes of Health	\$465,153	4/01 – 3/05

Title	Role	Agency	Amount	Period
Treatment manual for a psychotherapy for long-term care residents with depression and dementia	Co-Principal Investigator	Veteran's Administration Mental Illness Research, Education and Clinical Centers	\$4,020	7/01 – 6/02
Patient-valued outcomes: Concordance within families	Principal Investigator	Washington University Alzheimer's Disease Research Center / NIA	\$26,750	5/01 – 4/02
Family dynamics among in-laws: Integration, expectations, and well-being	Principal Investigator	American Psychological Foundation	\$4,899	3/02 – 4/03
Family decision making in late life: Improving surrogate accuracy	Principal Investigator	Brookdale Foundation	\$105,000	3/02 – 5/02
Improving family communication about services	Principal Investigator	Administration on Aging	\$56,428	8/02 – 10/03
Ethical facets of decision making within families	Coordinator	Washington University Center for the Study of Human Values	\$1,050	9/02 – 4/03
Patient-valued preferences: Examining agreement within families	Principal Investigator	University of Missouri Advisory Board of the Alzheimer's Disease and Related Disorders Research Program	\$30,000	4/03 – 3/04
Promoting social contact among older adults: A comparison of methods	Principal Investigator	Washington University Center for Aging Research Development Grant	\$1,972	5/03 – 4/04
The social dynamics of diabetes management	Co-Principal Investigator	Washington University Diabetes Education & Training Center	\$4,190	10/03 – 12/03

Title	Role	Agency	Amount	Period
Effects of Alzheimer's disease disclosure	Co-Principal Investigator	University of Missouri Advisory Board of the Alzheimer's Disease and Related Disorders Research Program	\$30,000	3/04 – 2/05
Improving communication among older parents and their adult children	Principal Investigator	Washington University Faculty Research Grants	\$4,480	2/05 – 9/05
Improving CLTC system response to late life depression	Consultant PI: Enola Proctor	NIMH		9/06 – 6/09
Age and gender differences in sexuality: Association with current health and life course health events	Consultant PI: Stacy Lindau	NIMH		
Developing a research agenda for end-of-life care	Co-Principal Investigator	Washington University Center for Programs	\$7,500	1/08 – 12/08
